

Steely Dan, Time Out Of Mind

Son you better be ready for love
On this glory day
This is your chance to believe
What I've got to say
Keep your eyes on the sky
Put a dollar in the kitty
Don't the moon look pretty

Tonight when I chase the dragon
The water will change to cherry wine
And the silver will turn to gold
Time out of mind

I am holding the mystical sphere
It's direct from Lhasa
Where people are rolling in the snow
Far from the world we know

Children we have it right here
It's the light in my eyes
It's perfection and grace
It's the smile on my face

Tonight when I chase the dragon
The water will change to cherry wine
And the silver will turn to gold
Time out of mind

Children we have it right here
It's the light in my eyes
It's perfection and grace
It's the smile on my face

Tonight when I chase the dragon
The water will change to cherry wine
And the silver will turn to gold
Time out of mind
