

# Stefanie Heinzmann, If I Don't Love You Now

Cold summer breeze  
I don't even care  
If I'm right  
Feels good to me  
Here with the smile of my life

And I've seen the chances passin'  
And it's all that I can say  
When I saw your loving pass me  
I was always gonna say

When I look in to your eyes  
(Ohh, ohh)  
Boy I think I'm gonna die  
(Ohh, ohh)  
There's something magic in your style  
(Ohh, ohh)  
And I think I'm gonna die if I don't love you now

Come here to me  
I can hear the words in my mind  
I don't believe  
you are prepared for tonight  
see it's more than just that body  
I intend to change your life

Cause when I look in to your eyes  
(Ohh, ohh)  
Boy I think I'm gonna die  
(Ohh, ohh)  
There's something magic in your style  
(Ohh, ohh)  
And I think I'm gonna die if I don't love you now

(Ohh, ohh)  
Boy I think I'm gonna die  
(Ohh, ohh)  
There's something magic in your style  
(Ohh, ohh)  
And I think I'm gonna die if I don't love you now

You know  
Now we're alone  
Now no more waitin'  
I'm in love with you

When I look in to your eyes  
(Ohh, ohh)  
Boy I think I'm gonna die  
(Ohh, ohh)  
There's something magic in your style  
(Ohh, ohh)  
And I think I'm gonna die if I don't love you now

(Ohh, ohh)  
Boy I think I'm gonna die  
(Ohh, ohh)  
There's something magic in your style  
(Ohh, ohh)  
And I think I'm gonna die if I don't love you now

If I don't love you now  
Love you now...  
If I don't love you now
