

Stefflon Don, Lil Bitch (Intro)

it's not enough is it
it's not
what do you want
what do you want?
you want my blood?
you want my sweat?
what the fuck you want?
what the fuck y'all niggas want?

lace front
can you show 'em bitches always talking shit
'bout that pissed
bitch go fix your wig
I ain't coming in the game to play no victim
I tell bitches suck dick before I play the victim
who me?
yes, you!
who you think I'm talking to?
don't think cause I'm like that
I won't get dark
bitches bark, but I bite
let's see who rides tonight
I let her eat the pussy then
I fuck her up on site

if you really want problems, I'll be Dennis The Menace
Serena Williams hitting 'em with the racket 'til I bend it
you want sex?
I sell it
you want beef?
then leg it
how you gon' tun up your gums and not come see the dentists?
you lil bitch

always talking about a couple comments
you lil bitch
always fucking with my fucking money
lil bitch
I'ma show you how you pay me homage
lil bitch
don Dodda coming and the running like a bitch

you know I'm the shit
you know I write them hits
you know I always keep a rummy on me
I'm, lit~
you ain't with the shits
boy you talking shit
until I hit the goons
and tell 'em hit 'em with the stick!

bitch I'm with the clique
pull up and that tip
bitch say their pussy lit,
but I heard it stink
bars trapping with the clique
they be on that heroine
one minute they love you
but they don't wanna see you win

always talking about a couple comments
you lil bitch
always fucking with my fucking money
lil bitch

I'ma show you how you pay me homage
lil bitch
don Dodd coming and the running like a bitch
