

# Stefy, You And Me Against The World

You and Me  
In this world  
They do their best to make us doubt ourselves  
And I know  
That it hurts  
They might try but when I'm close to you  
I won't lose myself

They don't have enough  
To make us tear our trust  
Yeah, its you and me against the world  
Cos you know that I'll always be your girl  
And its true, I believe  
You and me were meant to be, against the world  
Against the world

It's the time and the place  
Fate has brought us both together here  
To stay forever near

They don't have enough  
To make us tear our trust  
Yeah, yeah, yeah, its you and me against the world  
Cos you know that I'll always be your girl  
And its true, I believe  
You and me were meant to be, against the world  
Against the world

We don't need their money  
We don't need their walls  
We don't need what they have anymore

Yeah, its you and me against the world  
Cos you know that I'll always be your girl  
And its true, I believe  
You and me were meant to be  
Yeah, its you and me against the world  
Cos you know that I'll always be your girl  
And its true, I believe  
You and me were meant to be, against the world  
Against the world x9
