

Stelios Constantas, Feeling Alive

Give me your hand
Give me your smile
Give me your kiss baby please just be mine
I need your love
I need you tonight
I've waited for you baby all of my life - all of my life
I'm feeling alive when you're looking at me
I'm feeling alive when you stand close to me
I'm feeling alive when you call out my name
So please tell me baby that you feel the same
You make me feel so alive - I feel so alive
Give me a chance
Give me some time
To prove to you baby I'm telling no lies
Don't play with my heart
Don't play with my mind
I've waited for you baby all of my life - all of my life
You make me feel so alive - I feel so alive
I swear I'm telling no lies
I need you tonight
