

# Stellar Kart, Automatic

Sure as a phoenix sunrise  
And the yanks in the playoffs every year  
You're absolutely faithful  
I'm positively prone to disappear  
But like I breathe  
And my heart beats  
I wanna love you like it's automatic  
Make you into my good habit  
You're the only one that really matters  
Every minute everyday it's automatically ok  
When I make it all about you  
It's a mixed up messed up world with  
An unsatisfaction guarantee  
So I'm pledging my allegiance  
To the one and only one  
Who can set me free  
Just like I breathe  
And my heart beats  
But I'm not a robot  
Made with no thought  
What's the point of living life without the will to choose  
To run with the have nots  
Or go with the sure s
