

# Stellar Kart, I Wanna Live

Sometimes all I try to do  
Is maybe sleep til noon  
And now Im thinking  
Less is more more  
Will I ever get out,  
Out the door  
Whats the point anyway  
Another meaningless day  
Is there any reason  
Why I shouldnt waste  
All my time  
I need a change of scenery  
Unlock the door and  
Set me free

[chorus]  
I wanna live like today  
Could be my last day  
To give all I have  
Before its too late  
Goodbye to all the  
Fear and doubt cause this  
Love is what life is all about

Sometimes I lie awake at night  
Playing back my whole life  
If the way I see this world  
Could change  
All the differences would fade  
Im gonna play it out again  
When I hear your voice  
Ill take your hand  
Ill try to change what Ive become  
And love like Jesus does
