Stellar Kart, Pray

It's loud and clear Your silence has been breaking your heart Like no one hears You feel you may have fallen too far But even if You don't know the right words to say Pray Sit back and watch the scenery change Hold on to the promise that help is on the way Pray If you think You're not good enough to receive What you need Have a little faith and believe God is not A stranger to the things you might say Something beautiful Your miracle Is waiting on you
