

Stellar Kart, Wishes And Dreams

Im watching you from a scenic
View taking in your every move
Who you tried so hard to be full of
Wishes and dreams
That did not come true for you
I can read you like a book
Sad stories everywhere I look
Faded pictures remind you when
What could have been
Did not come true for you

[chorus]
Ill be the one who makes you laugh
Make up for the memories
That made you sad
Me and you together forever
We could be someday
You will find me in all your
Wishes and dreams

Is it so hard to believe what
Your eyes cannot see
Your dream come true
A love to fall into
Im waiting to show you
