

Stellar, Naughty Girls

Naughty girls are acting nice
Who's tryna ride my sleigh tonight
Santa's bag is full of white
Hoe hoe hoes have a hell a good time

Jack Frost is nipping at my nose
Christmas spirit, I can feel it in my bones, aye
Ms. Claws is rippin' off her clothes
The one night a year, that Santa isn't home, aye

It's Kendra, It's Julie, It's Tori, they're kissing
All lined up sniffing snow in the kitchen
It's Gia, Adria, It's Blair, they're vixens
They just got home and their clothes are missing

Naughty girls are acting nice
Who's tryna ride my sleigh tonight
Santa's bag is full of white
Hoe hoe hoes have a hell a good time
Naughty girls are acting nice
She want all my sugar and spice
Santa's bag is full of white
Hoe hoe hoes have a hell a good time

She's bad bitch but her stockings have no coal
Santa's elves watch her dance around the North Pole
All I want for Christmas is to see that shit in slow-mo
Up and down, yeah she shake it like a snow globe

It's Kendra, It's Julie, It's Tori, they're kissing
All lined up sniffing snow in the kitchen
It's Gia, Adria, It's Blair, they're vixens
They just got home and their clothes are missing

Naughty girls are acting nice
Who's tryna ride my sleigh tonight
Santa's bag is full of white
Hoe hoe hoes have a hell a good time
Naughty girls are acting nice
She want all my sugar and spice
Santa's bag is full of white
Hoe hoe hoes have a hell a good time
