

Stellar, Stuck On You

I think im stuck on you
Like It's deja vu
Baby whatchu do to my heart
I think im stuck on you
Like It's deja vu
Or a new tattoo, on my arm

You look so good didnt mean to stare
In and out I'ma need some air
Cuz you got me dazed and confused, yeah
Quit playing games baby don't you dare
Tell me that you're unaware
That I have been falling for you, yeah

Ohoh, she got me doin' things I never do
Ohoh, let me tell the truth

I think im stuck on you
Like It's deja vu
Baby whatchu do to my heart
I think im stuck on you
Like It's deja vu
Or a new tattoo, on my arm

Honestly, if I must confess
I might be just a bit obsessed
With you and you're Gucci perfume, yeah
You got me dressin' my best
Wearing my chain and my vest
You know I'd do nothing less
For you

Ohoh, she got me doin' things I never do
Ohoh, let me tell the truth

I think im stuck on you
Like It's deja vu
Baby whatchu do to my heart
I think im stuck on you
Like It's deja vu
Or a new tattoo, on my arm

You're driving me crazy
You like the mother of Stacy
When she was back in the 80s
Oh my lord
You're driving me crazy
You like the mother of Stacy
When she was back in the 80s
Oh my lord

I think im stuck on you
Like It's deja vu
Baby whatchu do to my heart
I think im stuck on you
Like It's deja vu
Or a new tattoo, on my arm
