

Stellastarr*, In The Walls (Acoustic)

In the walls, in the fall, I can see them all
And the 44 superstores, all across the mall
It took a while for me to know I am not alone
It took a while for me to know I'm not alone

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

Take your time, take a breath, disregard the rest
The falling chains, the falling lies, make pretend you're mine
It took a while for me to know I am not alone
It took a while for me to know I'm not alone

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

I want to wake from my disease
And the cure is lying next to me

And I'm trying so hard, yes I'm trying to be
What you're dreaming of, what you're dreaming of

Stay (stay), stay awake (stay awake), stay alive
It's the only breath you'll take (take)
When ya go (when ya go), when ya go go go

Well I want to wake from my disease
And the cure is lying next to me
And I'm trying so hard, yes I'm trying to be
What you're dreaming of, what you're dreaming of
And I'm trying so hard, yes I'm trying to be
What you're dreaming of
What you're dreaming of
What you're dreaming of
What you're dreaming of
What you're dreaming of
