

Stellastarr*, Precious Games

Changing times
Change your precious ways
Addicted longs
I can't follow the rules
You seem to admit

I will find another way
I will find another way

Once again
Without a doubt
I can barely live without
But before you go
Times are changed
Face to face
I can hardly hesitate
But before I go
I just want you to know

I will never feel the same
I will never feel the same
I wish I could change the rules
Of your precious games

A slow decline
The writing's on the wall
Now I will break these chains
And break the ties
That caused our spirits to fall

You will find another way
You will find another way

Once again
Without a doubt
I can barely live without
But before you go
Times are changed
Face to face
I can hardly hesitate
But before I go
I just want you to know

I will never feel the same
I will never feel the same
I wish I could change the rules
Of your precious games

I will never feel the same
I will never feel the same
I wish I could change the rules
Of your precious games
