

Stem, Beta-Rhythm

Divine hypnotic spiral fall
Electric cell interaction combined

Find means of interpretation
Polyrhythmic get away
Left alone with your instinctive creation

Reflection of the sight beneath your eyes
Individual response to the open eye
Inner out of body mind trip
Unconditional judge of your demise

Ref:
Whether you want it or not
You'll see the world the wrong way up
Together with fears and tears till the end
Reminding to meet their needs again

Divine hypnotic spiral fall
Electric cell interaction combined

Find means of interpretation
Polyrhythmic get away
Divine hypnotic spiral fall
Electric cell interaction combined
Reanimated fractures into solid energy flows
Introduction to the madness forced inside
Divine hypnotic spiral fall
Electric cell interaction combined
Reanimated fractures into solid energy flows
Introduction to the madness forced inside

Perverted seeds in full bloom
Reconstruct to see in whole
Evergreen imprint in your brain
Manipulation through thoughts you ought to know

Ref:
Whether you want it or not
You'll see the world the wrong way up
Together with fears and tears till the end
Reminding to meet their needs again
