A neck with bolts&quot;Nurse were losing him,we cant afford a death&quot;

A kid who refused to respect his death

Wore spectacles with taped frames and a f\*\*k'd up face

A corny looking white boy, scrawny and always horny

Cause he was always sick of meany bully's picking on he

And i might snap won day just like that

I decide to strick back and maby kick is ass with a big bat

(Whosssh) My first day of junior high i said

I locked at him again i said &quot;pussy&quot;

&quot;Hey you pussy dont give a look at me&quot;

He said&quot;Dont look at me,youl just make me call u pussy&quot;

Right now i just want somme pussy,Cause all i see is hot chicky's

I looked at her and i said &quot;Lets go f\*\*k in the church&quot;

She respounce with a&quot;Yes sher just hope father once aint there&quot;

No dont worry i just smoked 3 once with him

Finally i go somme pussy from a hot chicky

Then i got up and run to the janitors storage booth

Kicked the door hinge loose and ripped out the four inch srews

Grabbed somme sharp objects,Brooms and foreing tools

&quot;This is for every time you cheated on me

Like f\*\*k other guys and using toys

Every time you tipped is dick and stif and split

Im getting you back gurl! Now once and for good  
I cooked the broomstick buck and swung hard as i could  
And beat her over the head with it till i broked the wood  
Knocked her down,stood on her chest with won foot  
Made it home that same day  
Went on the computer, and suddenly became black  
I couldnt even remember what i wanted to do on the computer  
I went blind, and me left eye started to drumline  
My dog started to bark&quot;What are u drugs?!?  
Look at you,You look so f\*\*ked up&quot;  
Steph&quot;I know&quot;  
He bitted my toe and starting wapping  
I kicked her, and me eyes came back alive  
I picked her up  
Steph&quot;Look bitch what have you done&quot;  
Dog&quot;Oh my god im sorry guy&quot;  
Steph&quot;Shut up you bitch&quot;  
I said  
Steph&quot;F\*\*k you&quot;

Won thing guy's byebye f\*\*kers
