

Stephanie Rooker, Fire

You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn

You come so strong and you burn so bright
Blaze through my days and you keep me up nights
Got to bring the cool water 'cause I don't feel right

Ooh Ooh
You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn

I looked too long and my vision got blurred
I got too close and my body got burned
So when lord when am I ever gonna learn

Ooh Ooh
You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn

You got da' fire rude boy and you don't care none
Burn down the house 'cause you wanna have fun
When I see ya' here commin' gonna turn 'round and run

Ooh Ooh
You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn

You got da' fire rude boy and you don't care none
Burn down the house 'cause you wanna have fun
When I see ya' here commin' gonna turn 'round and run

Ooh Ooh
You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn

You got the fire
Oh you got the fire
You got the fire ooh and I'm never gonna learn
Don't touch the fire 'cause the fire gonna burn
