

Stephen Bishop, Love On The Outside

Song: Love on the Outside

Artist: Stephen Bishop

Album: Bowling in Paris (1989)

Composer: S. Bishop

So many times, I tried to understand

Why things were changing the love we had

Used to think love could last

But now I know that love can slip away so fast

Now that love

Love's on on the outside

Now that love

Love's all alone

Now that love

Love's on the outside of my heart

It's too late, it's too late

To turn it all around

And I'm not gonna be the one to say

Just who let down

But you know, sometimes

I wish you were still mine, all mine

Now that love

Love's on on the outside

Now that love

Love's all alone

Now that love

Love's on the outside of my heart

Gotta find someone new

Out there in the world

There's someone for me

I know, I know, I know, I know, it's true

It's true...

I'm driving down some lonely street

Like I'm in a dream

And as I turn the corner

I feel you're there with me

But you got to be strong

'Cause love is right

Till it goes wrong

Now that love, love

Love's on on the outside

Now that love

Love's disappeared

Love's, love's on the outside of my heart

My heart can't take it

Love is gone

Now that love is on, love's on the outside

Love, love's on the outside....

(repeat with ad-lib to fade)
