

Stephen Bishop, The Pleasure Of Your Company

I never knew what I could feel
Until I held you in my arms
You're like a dream
that seems so real
'Tho our worlds are far apart
And I would give to you
The moon, the stars
The Ocean and the Sky
My love, my soul, my heart
But I must hide this love inside
of me
for the pleasure of your company
There is a light that shines in you
It showed me how to feel again
We opened a door
we can't walk through
Still our love will never end
and it can never be..
CHORUS
Silver sky, darkest night
Gentle rose, sun of light
Somewhere in another world
I'd have never let you go
I'll remember how you danced with me
And the pleasure of your company..
