

Stephen Curtis Chapman, Dive

The long awaited rains

Have fallen hard upon the thirsty ground

And carved their way to where

The wild and rushing river can be found

And like the rains

I have been carried here to where the river flows, yeah

My heart is racing and my knees are weak

As I walk to the edge

I know there is no turning back

Once my feet have left the ledge

And in the rush I hear a voice

That's telling me it's time to take the leap of faith

So here I go

I'm diving in, I'm going deep in over my head, I want to be

Caught in the rush, lost in the flow, in over my head, I want to go

The river's deep, the river's wide, the river's water is alive

So sink or swim, I'm diving in

There is a supernatural power

In this mighty river's flow

It can bring the dead to life

And it can fill an empty soul

And give a heart the only thing

Worth living and worth dying for, yeah

But we will never know the awesome power

Of the grace of God

Until we let ourselves get swept away

Into this holy flood

So if you'll take my hand

We'll close our eyes and count to three

And take the leap of faith

Come on let's go
