

# Stephen Curtis Chapman, My Turn Now

Well it's my turn now

My turn now

Hey, my turn to give my life away

I close the book and I shake my head

Sometimes I can't believe the things I've read

I don't deserve what He did for me

Hey, hey

He gave His love and His life away

And now He's asking me to do the same

So I'm gonna give Him all I am

And all I ever hope to be 'cause

Chorus

It's my turn now

Well it's my turn now

My turn to give my life away

I open up the book and look again

I read the stories of the faithful men

Who gave up all they had to follow Him

Yeah, yeah

He used the strong and He used the weak

He even gave the timid words to speak

He called whoever listened then

And now His call goes out again

Chorus

Bridge

My turn to say "I love Him";

My turn to let Him know

My life is His, so where He leads me that's where I will go

Chorus Accapella
