

Stephen Curtis Chapman, The Change

Well I got myself this T-shirt that says what I believe

I got letters on my bracelet to serve as my ID

I got the necklace and the keychain

and almost everything a good Christian needs, yeah

I got the little Bible magnets on my refrigerator door

And a welcome mat to greet you before you walk across my floor

I got a Jesus bumper sticker

And the outline of a fish stuck on my car

And even though this stuff's all well and good

I cannot help but ask myself

What about the change?

What about the difference?

What about the grace?

What about forgiveness?

What about a life that's showing

I'm undergoing the change, yeah

I'm undergoing the change

Well I've got this way of thinking that comes so naturally

Where I believe the whole world is revolving around me

And I got this way of living that I have to die to every single day

'Cause if God's Spirit lives inside of me, yeah

I'm gonna live life differently

I'm gonna have the change

I'm gonna have the difference

I'm gonna have the grace

I'm gonna have forgiveness

I'm gonna live a life that's showing

I'm undergoing the change

What about the change

What about the difference

What about the grace

What about forgiveness

I want to live a life that's showing

I'm undergoing the change
