Ronan: you're gonna hold me up
You ain't gonna let me down
You're gonna hold me up
You ain't gonna let me down

Mikey: here to eternity
People said
The book of love
I've often read
True love, true love
People cry
The love I have
Won't be denied

Stephen: you know this love I have
Can never be denied
Don't ever say to me
That I have never tried

All this love I have
Will never be denied
Don't ever say to me
That I have never tried

Ronan: you lift me up
Don't let me down
You lift me up
Stephen: be denied
Can never be denied

Ronan: you lift me up
Don't let me down
You lift me up
Stephen: be denied
Can never be denied

Mikey: come and show me
Exactly what you feel
And if you can't explain
Exactly what they mean
'cos I have known love
And it's often let me down
But I'll keep smiling
As long as you're around

Stephen: oh, this love I have
Can never be denied
Don't ever say to me
That I have never tried

Oh, this love I have
Will never be denied
Don't ever say to me
That I have never tried

Ronan: you lift me up
Don't let me down
You lift me up
Stephen: be denied
Can never be denied

Ronan: you lift me up
Don't let me down
You lift me up
Stephen: be denied
Can never be denied

Ronan: you're gonna hold me up
You're gonna hold me up
You're gonna let me down

You ain't gonna let me down

Stephen: be denied
Can never be denied

Ronan: you're gonna hold me up
You're gonna hold me up
You ain't gonna let me down
You ain't gonna let me down
Stephen: be denied
Can never be denied
Mikey: here to eternity
Here to eternity

Stephen: and all this love I have
Can never be denied
Mikey: here to eternity
Here to eternity

Stephen: and all this love I have
Can never be denied
Be denied
Be denied
