

# Stephen Gately, If Only You Were Here

If only you were here  
today forever  
and if only you were mine  
I would say: it's forever

I've read through the lines oh yeah  
I've read through the lines  
So is that how the story goes  
Is the book now closed  
Said you'd always be around  
And I can't deny yeah  
I can't deny the way you left me on my own  
Thought our love had grown  
And we'd never be apart

If only you were here  
today forever  
and if only you were mine  
I would say: it's forever  
'Cause I cannot help myself oh nono  
From falling in love

I used to know why  
I used to know why our love was endless  
Time gone by like angels in the sky  
Never thought I'd be so wrong  
And I can't decide  
And I can't decide whether  
our love was in despair instead of playing fair  
And I miss you since you've gone

If only you were here  
today forever  
and if only you were mine  
I would say: it's forever  
'Cause I cannot help myself oh nono  
From falling in love
