

# Stephen Gately, Stay

Stay

(shu-do-do-oh yeah)

(oh stay)

Stay

Stay

I wanna show you  
Every single dream I got inside of my mind  
I wanna love you  
Better than you've ever known before

You are my fantasy  
You're everything to me  
Can't watch you walkin' out my door

So why don't you  
Stay - for a minute  
Give me one more try  
Stay with me I'm falling apart  
Baby won't you  
Stay - for a minute  
Please don't say goodbye  
You and me together  
Stay in my life

A new beginning  
And let nothing come between us ever again  
And somehow, I will be singin'  
Songs you've never heard before

You are my fantasy  
You're everything to me  
Can't watch you walkin' out my door

So why don't you  
Stay - for a minute  
Give me one more try  
Stay with me I'm falling apart  
Baby won't you  
Stay - for a minute  
Please don't say goodbye  
You and me together  
Stay in my life

Give me a second chance  
To build a new romance  
That's all I'm askin' for tonight, baby  
Cmon' and take my hand  
And try to understand  
You gotta stay in my life oooh.

(oh yeah)

(oooooh)

Stay - for a minute

Give me one more try

Stay  
Stay with me baby I'm falling apart  
Please don't say goodbye  
Stay with me tonight  
Don't say goodbye  
Stay in my life

So why don't you  
Stay - for a minute  
Give me one more try  
Stay with me I'm falling apart  
(I'm falling apart)  
Baby won't you  
Stay - for a minute  
Please don't say goodbye  
You and me together  
Stay in my life

Give me one more try baby  
You and me together  
Stay in my life  
Why don't you  
Stay - for a minute  
Give me one more try  
Stay with me I'm falling apart
