

# Stephen Lynch, For The Ladies (Live)

Intro: This one's For the Ladies

\*women\* Whooo

Might want to hold back on those "Whoos" ladies,  
This one's fucking awful.

I kissed you on the cheek,

Goodnight my love I say.

You turn to me and smiled "a baby's on the way",

And then you drift asleep to dream of life anew,

And I lie wondering just what I should do...

I could kick you in the stomach

And catch you unawares.

I could swear to god

You accidentally fell that flight of stairs.

When I tell you that I love you,

I will look you in the eye,

As I slowly slide the hanger up your thigh...

Outro: \*women\* scream

I'm so sorry
