

# Stephen Lynch, Not Home (Live)

You say that you're leaving but just for a day  
The company wants you to fly to LA  
So you leave me alone and I sit and I say  
What will I do today  
Today while you're away

I will...  
Sniff all your underwear  
Dress in your clothes  
Pleasure myself inside your pantyhose

I know it's not easy  
To leave me alone  
But it's more fun  
When you're not home

Yeah it's more fun when you're not home
