## Stephen Malkmus, Troubbble

Sad enough I frequently find There's no proof of halos Strapped in your mind

The world passes by in a flash From the birth of the earth To the curse of your desperate math We spell troubbble

Long lasting sting Literal swine drop If he couldn't stand you He's a bona fide dying tribe

The world passes by in a flash From the birth of the earth To the curse of your desperate math We spell troubbble TROUBBBLE
