Oh yeah, I'm chill as a villain
You nillas' is grillin
Cause they wanna dance
But they couldn't get her attention
Listen, she's sick with the rhythm

Twists her hips into different positions
And ain't spilled the drink that she's sipping
Got a cute face, slim waist, and pretty bow legs
M'a I'll give it to you the day you gimmie the go ahead
Oh yeah, it's the kings in the building
Ghetto Youths representing for the women and children
