

Stephen Sanchez, Baby Blue Bathing Suit

It feels like yesterday that we were flying
Can't go back to her, but I'll keep trying

'Cause, the older I get (Ah, ah, ah-ah)
The more that it's true (Ah, ah, ah-ah)
That Heaven's a girl (Ah, ah, ah-ah) in a baby blue bathing suit
Ooh-ooh, ooh-ooh, ooh

Oh, my suntanned girl with the freckles and curls
Looks good when she swims in the water
Oh, those deep green eyes, little me, little
Midnights couldn't get any hotter
Give me the big, blue waves and the
'Til the good old days are gone
Let them remind you
That summer's a place for
Everyone

(Woah-oh-oh-oh, ah-ah)

Day dreaming of you and it knocks me sideways (Hey-ey-ey, woah, uh-huh)
We're driving up and down an endless highway (Hey-ey-ey, woah)

Oh, and the further I get (Ah, ah, ah-ah)
The more that it's true (Ah, ah, ah-ah)
That Heaven's a girl (Ah, ah, ah-ah) in a baby blue bathing suit
Ooh-ooh, ooh-ooh, ooh

Oh, my suntanned girl with the freckles and curls
Looks good when she swims in the water
Oh, those deep green eyes, little me, little
Midnights couldn't get any hotter
Give me the big, blue waves and the
'Til the good old days are gone
Let them remind you
Summer's a place for
Everyone

(Woah-oh-oh-oh, ah-ah)

Sweet memories, oh, they're calling my name
Bring me back to sleep, wanna dream all day
'Cause, summer's the place where I met you
The reason I cannot forget you

Oh, my suntanned girl with the freckles and curls
Looks good when she swims in the water
Oh, those deep green eyes, little
Midnights couldn't get any hotter
Give me the big, blue waves and the
'Til the good old days are gone
Let them remind you
Summer's a place for
Everyone

(Uh-uh-uh-uh-uh, ah-ah)
