

Stephen Speaks, 1500 Miles

I have so much to do,
It doesn't mean a thing,
But just the thought of you,
Is enough to make me sing.

Nothing can keep me away from you,
As long as I'm alive.
I would lay my life down,
To be there by your side.

Nothing can keep me away from you,
No distance is too grand,
I would travel the ocean,
To be there to hold your hand.

1500 miles is not too far to go,
Just to make you smile,
Just to let you know,

Nothing can keep me away from you,
As long as I'm alive.

I would lay my life down,
To be there by your side.

Nothing can keep me away from you,
No distance is too grand,
I would travel the ocean,
To be there to hold your hand.

And there isn't anything,
In the whole world I can bring,
Any feeling close to being close to you

Nothing can keep me away from you,
As long as I'm alive.
I would lay my life down,
To be there by your side.

Nothing can keep me away from you,
No distance is too grand,
I would travel the ocean,
To be there to hold your hand.
