

# Stephen Stills, Just Isn't Like You

There is a stranger where I once knew you  
There is a dangerous energy flows through you  
I don't know what to say  
Just get out of the way  
And remind you  
This just isn't like you  
I wouldn't pay no mind 'cept for the voices  
Telling you I won't mind you makin' my choices  
Not wishing to be unkind  
But you are out of line  
Need I remind you  
This just isn't like you  
And I must confess to bein' heart broken  
That you would still insist I been jokin'  
When I am always there  
As you are well aware  
Doesn't it strike you  
It just isn't like you
