

Stephen Stills, Love The One You're With

Love the One You're With
Stephen Stills

If you're down and confused
And you don't remember who you're talking too
Concentration slips away
Cause you're baby is so far away

CHORUS

Well there's a rose in the fisted glove
And eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with
Don't be angry - don't be sad
Don't sit crying over good times you've had
There's a girl right next to you
And she's just waiting for something to do

CHORUS

Doo doo doo doo
Turn your heartache right into joy
Cause she's a girl and you're a boy
Get it together come on make it nice
You ain't gonna need anymore advice

CHORUS
