Love the One You're With Stephen Stills

If you're down and confused And you don't remember who you're talking too Concentration slips away Cause you're baby is so far away **CHORÚS** Well there's a rose in the fisted glove And eagle flies with the dove And if you can't be with the one you love honey Love the one you're with Don't be angry - don't be sad Don't sit crying over good times you've had There's a girl right next to you And she's just waiting for something to do **CHORUS** Doo doo doo doo Turn your heartache right into joy Cause she's a girl and you're a boy Get it together come on make it nice You ain't gonna need anymore advice **CHORUS**
