

# Steppenwolf, It's Never Too Late

Your eyes are moist, you scream and shout  
As though you were a man possessed  
From deep inside comes rushing forth  
All the anguish you suppressed  
Up on your wall hangs your degree  
Your parents craved so much for you  
And though you're trained to make your mark  
You still don't quite know what to do

It's never too late to start all over again  
To love the people you caused the pain  
And help them learn your name  
Oh, no, not too late  
It's never too late to start all over again

Well, it's much too late to start again  
To try and find a little bliss  
So on your woman and your child  
You release your bitterness  
You drift apart some more each day  
You feel the guilt and loneliness  
And the God of your childhood you can't find  
To save you from your emptiness

It's never too late to start all over again  
To love the people you caused the pain  
And help them learn your name  
Oh, no, not too late  
It's never too late to start all over again

You say you've only got one life to live  
And when you're dead you're gone  
Your family comes to your grave  
And with tears in their eyes  
They tell you, you did something wrong  
"You left us alone";

Tell me who's to say after all is done  
And you're finally gone, you won't be back again  
You can find a way to change today  
You don't have to wait 'til then

Repeat Chorus
