Steps, Come On Get Together

Everyone stand up
Stand up and move around
Everybody clap just clap
Just clap your hands
Everybody jam, jam
Just jam around
Let me hear you shout check it out it's going down (2x)

Come on get together Make it last forever Come on get together Everybody jump around Just check it out it's going down

Everyone stand up
Stand up and move around
Everybody clap just clap
Just clap your hands
Everybody jam, jam
Just jam around
Let me hear you shout check it out it's going down (2x)

Come on get together Make it last forever Come on get together Everybody jump around Just check it out it's going down

Come on get together
Make it last forever
Come on get together
Everybody jump around
Just check it out it's going down

We're doing all right, we're doing alright now Yeah we're bringing it, we're bringing it on Bringing it on, bringing it on, bringing it on

Come on get together
Make it last forever
Come on get together
Everybody jump around
Just check it out it's going down
