

Steps, Deeper Shade Of Blue

Yeah I'm a deeper shade of blue
And there's nothing I can do
You're so far, far away
You're so far away

Into each life
Some rain must fall
I didn't know
I would catch it all
The clear skies have gone
And you with them too
It's not the same now without you

I used to say
You're so beautiful
But it didn't change
A thing at all
There's nowhere to run
Got nowhere to hide
I can't forget you and I've tried, but

I'm a deeper shade of blue
And there's nothing I can do
You're so far, far away
Yeah, I'm a darker shade of me
And I just can't be free
You're so far, far away
You're so far away

Into each life
Some sun must shine
Well someone else
Must be getting mine
The days are so empty
Nights are so long
Awaking to find again that you're gone

I used to say
You were wonderful
Now I just wonder
Where you are
It's easy to say, memories fade
But I'm still missing you
Nothing's changed and

I'm a deeper shade of blue
And there's nothing I can do
You're so far, far away
Yeah, I'm a darker shade of me
And I just can't be free
You're so far, far away
You're so far away

Hey

Summer is over
And all we are is apart
The nights are so cold now
Without you in my heart cos

I'm a deeper shade of blue
And there's nothing I can do
You're so far, far away
Yeah, I'm a darker shade of me

And I just can't be free
You're so far, far away
You're so far away
