

Steps, Happy Go Lucky

Love, all my love was yours
Of this I was so sure
I guess I never saw it coming baby
But now I'm over the surprise
I'm wearing this disguise
So everyone can think I'm having fun baby
The world only sees me smilin'
My pillow knows the truth every night
'Cause that's where I hide my sorrow

Chorus:

And they call me happy go lucky
They don't know my heart is dying inside
A smile's a frown turned upside-down
I do my happy go lucky so well
I'm even fooling myself

Now I've put it to the test
I know it's for the best
In fact it's good that you walked out on me oh baby
I, I've learned how to survive
Without you in my life
So why am I still talking 'bout you baby
The world only sees me smilin'
My pillow knows the truth every night
'Cause that's where I hide my sorrow

Chorus

All my love was yours
Of this I was so sure

When I see the morning light
I put on this facade
It's all I have to protect my pride
It's all I've got, this smile is all I've got
