

Steps, It's The Way You Make Me Feel

It's the things that you do
So physical
It's the things that you say
So flammable

You know I can't resist boy it's such a shame
Do you belong to another?
I don't wanna hurt nobody,
But my heart just can't hold back

(Chorus)
It's the way you make me feel
(The way that you make me feel)
Spinning my world around
Tell me how can I walk away
I don't care what they say
I'm loving you anyway
It's the way you make me feel

I'm gonna make you mine
It's not impossible
Got to let you know
I'm irritable

Baby can't you see, you're the one for me
But you belong to another
I don't wanna hurt nobody
But my heart just can't hold back

(Chorus)
