

Steps, Things Can Only Get Better

You can walk my path
You can wear my shoes
Learn to talk like me
Be an angel too

But maybe
You ain't never gonna feel this way
You ain't ever gonna know me
But I know you
I'm singing it now

Things can only get better
Can only get
Can only get
Take it on from here
I know that things
Can only get better

I, I sometimes lose myself in me
I lose track of time
And I can't see the wood for the trees
You set them alight
Burning bridges as you go
I'm too weak to fight ya
I got my personal hell
To deal with, then you say
Walk my path, wear my shoes
Talk like that, I'll be an angel then

Things can only get better
Can only get better
Now I found you
(Things can only get, they can only get)
Things can only get better
Can only get better
Now I found you
(Things can only get, they can only get)

You have shown me
Prejudice and greed
And you've shown me how
And I must learn to deal
With the disease
I look at things now
In a different light than I did before
I found my cause
And I think that you can be my cure
So teach me to
Walk your path, wear your shoes
Talk like that, I'll be an angel and

Things can only get better
Can only get better
Now I found you
(Things can only get, they can only get)
Things can only get better
Can only get better
Now I found you

Things can only get
Can only get
Things can only get

Things can only get better

Can only get better
Now I found you
(Things can only get, they can only get)
Things can only get better
Can only get better
Now I found you
