

# Steps, To Be Your Hero

Ooh yeah yeah yeah  
I'd do anything to be your hero

Maybe I'm never gonna change the world  
Or split the atom in two  
I know a man can't save the universe  
But girl if I could  
I'd do it for you

I'd give you anything you ask for  
I'd be a knight in shining armor  
And just like Superman  
I'd move heaven and earth  
In order to save you  
Sail seven seas  
Come to your rescue  
What would it take?  
Just let me know  
I'd do anything to be your hero  
(Hero)

I know I may not be invincible  
Or be the world's strongest man, oh no  
But baby nothing seems impossible  
With you by my side  
I'll hold back the tide

I'd be a knight in shining armor  
The light to guide you into harbor  
(And just like Superman)  
I'd move heaven and earth  
In order to save you  
Sail seven seas  
Come to your rescue  
What would it take?  
Just let me know  
I'd do anything to be your hero  
I'd fly through the air  
Protect you from danger  
Walk through fire  
To win back your favor  
What more would it take  
I have to know  
'Cos I'd do anything to be your hero  
I'd do anything to be your hero

Hero (hero, hero)  
Won't you be my hero?  
Hero (hero)  
Hero (hero, hero)  
(C'mon)  
I'd do anything to be your hero

Move heaven and earth  
In order to save you  
Sail seven seas  
Come to your rescue  
What would it take?  
Just let me know  
I'd do anything to be your hero

I'd fly through the air  
Protect you from danger  
Walk through fire

To win back your favor  
What more would it take  
I have to know

'cos I'd do anything to be your hero (hero)  
I'd do anything to be your hero
