

Steps, You'll Be Sorry

Heaven knows it's a lonely way living on my own
I never thought that I would be this far from all that I know
I gave you all the love in me
But love is blind and now I see
The fool I've been believing you loved me

I waited for so long for you
Now what am I supposed to do?

One day believe me, you'll be sorry
You're gonna feel this pain
One day you'll see me and remember
The promises you made
Just wait and see how you'll be sorry
One day your sky's gonna rain
One day believe me, you'll come running
Back to me again

Heaven knows you'll be back again
When you feel the cold
And truth will find you out
For all the lies you sold
So chase the rainbows you can find
'Cause you've gone too far this time
The fool I've been believing you were mine

I waited for so long for you
Now what am I supposed to do?

One day believe me, you'll be sorry
You're gonna feel this pain
One day you'll see me and remember
The promises you made
Just wait and see how you'll be sorry
One day your sky's gonna rain
One day believe me, you'll come running
Back to me again

You'll be so sorry
When you realize the love you're missing
You'll feel so lonely
When you realize I'm not forgiving

Not forgiving no
Oh no no no
Not forgiving oh

One day believe me, you'll be sorry
You're gonna feel this pain (gonna feel this pain)
One day you'll see me and remember
The promises you made
Just wait and see how you'll be sorry
One day your sky's gonna rain
One day believe me, you'll come running
Back to me again
