

Stereo Fuse, Heaven Inside You

Come closer turn away
Can't find the words to say
Got something on mind that I can't define
Don't want to push away
Wait for tomorrow everyday
Can't find the words to say but I can't deny

I found heaven inside you
Do you feel it like I do

Hear now my point of view
Hard to define what I see in you
Everyday a different view but I can't deny
Don't want to push away
Wait for tomorrow everyday
Can't find the words to say but i Can't deny

I found heaven inside you
Do you feel it like I do
Nothing's gonna bring us down oh no

I found heaven inside you
Do you feel it like I do
