

# Stereo Fuse, Trip To Mars

You're on a trip to mars you're a superstar that's who you are yeah  
You're on a rocket ride to a suicide have you lost your mind yeah

Everywhere you go now everybody knows your name  
Anything that you desire just a phone call away-

You're on a trip to mars you're a superstar that's who you are yeah  
You're on a rocket ride to a suicide have you lost your mind Yeah

Everyone you used to know slowly fades away now  
Everyone around you and the scene is all the same

You're on a trip to mars you're a superstar that's who you are yeah  
You're on a rocket ride to a suicide have you lost your mind yeah

You're a superstar yeah you're a superstar yeah have you gone too far yeah  
You're a superstar yeah

Now everyone surrounds you like a child you get your way  
And if I stick around you you'll be driving me insane

You're on a trip to mars you're a superstar that's who you are yeah  
You're on a rocket ride to a suicide have you lost your mind yeah

You're a superstar yeah you're a superstar yeah have you gone too far yeah  
You're a superstar yeah
