

Stereo MC's, Far Out Feeling

Medication take me
We can cut the chase
And the... the straight lights
That's how i saw your face
Stunning equal...
And nothing's out of place
We've got it understanding
No no, nothing can replace

And there's no substitute at all
there's no substitute at all
there's a far out feeling
and no substitute at all

i'm keeping my head down
i'm... from read of
all our hopeless case
grown... upon the west side
the... to waste
'cause we are... evil

We are people confusion no no

And there's no substitute at all
there's no substitute at all
there's a far out feeling
a far out feeling

A far out feeling

Keeping the brushing night
Holding to keep it right
Reading the skies at night
Keeping the days alive
Waiting to hang your

Now we can walk from...

No substitute at all
there's no substitute at all
there's a far out feeling
a far out feeling
//2x

One time... to show...
Take time to...
I can't sweat... in my...
I don't wanna be, wanna be, wanna be baby
I said.

Keeping my head down /5x

No substitute at all, at all
