

Stereolab, Elektro (He Held The World In His Iron

Isolation I suffer.

We've been told horrible lies

We've been betrayed, exploited and repressed,

Manipulated,

We'll kept in isolation,

..... danger.

This whole world can appear too well, don't you think?

More and more people have been kept into misery.

How much more people have to take in before they react.

We're left to wallow in our shit,

If you
