

Stereolab, Super Electric

...
Unexpected moments
The most inopportune
Some see the flesh before they see the bones
Some see the bones before
Before they see the flesh

...
Unexpected moments
The most inopportune
Some never see the bones at all
Some never see the flesh at all
Some never see the flesh at all
No never never flesh at all

To explain, I was made to exorcise his pain

Torn to pieces and (inform them)
... beyond repair
... reforging
Some ... at easy failure
