

Stereolab, The Noise Of Carpet

i hate to see your broken face
this world would give you anything
as long as you will want to
as long as you will want to
i hate your state of hopelessness
and that vain articulateness
your loser type wreck wanna be
not a pretty sight really
in another world it'd be funny

i hate to see your broken face
a lazy life of fatal waste
of fashionable cynicism
the poison they want you to drink
oh no man that's too easy
oh no man that's too easy
we weren't talking bout happiness
apply your leading potential
to be useful to this planet
the world would give you anything
as long as you will want to
as long as you will want to

ba da ba...
