

STEREOLIZZA, Go Back To Your Mama

Go back to your mama /2x
Too good to be mine, I cannot handle your drama
You getting me sober, you couldn't be slower
Get outa my way because your party is over
You gotta get low

You never heard about me being a really bad girl
Don't look at me like that cuz you know nothing bout my swagger
If you're mild and smooth just turn around and go and go and go
But if you dare to try it, you can try and don't be slow now!

You gotta let go
You gotta get low
/3x

Sho-sho-show me what you got to give me real nirvana
Don't you mess around with me I'm biting like a piranha
You can curse me like a gangsta there won't be any drama
If you can't keep up with me ? go back to your mama

You only got a chance to show me show me what you're up to
Cuz I won't be pretending I enjoy it and I like you
I will say it in your face just like I say it when I mean it
If you can't keep up with me ? I recommend you beat it now!

You gotta let go
You gotta get low
/3x

Sho-sho-show me what you got to give me real nirvana
Don't you mess around with me I'm biting like a piranha
You can curse me like a gangsta there won't be any drama
If you can't keep up with me ? go back to your mama
