

Stereomud, Perfect Self

settle down you all
can't you hear the footsteps
down the hall?
you're waiting for the scream
of your conscience call
and everyone starts dying

what the fuck is wrong
i said that I would always
find my way back home
now everyone I love
has been left alone
and everyone starts dying

it's you and I
begging for life
it's you and I

[chorus:]
seems like in death
we all become our perfect self
last chance to pray
and rid our self of the pain
[repeat]

help comes when I don't even want it
do you really believe that I need it?
seems like in death
i'm alive
[repeat]

[chorus]

are we closer now?

[chorus two times]

seems like in death
i'm alive
help comes when I don't even want it
seems like in death
do you really believe?
