

Stereomud, Steppin' Away

I Thought I made it so clear
You made a change in my life
I watched you dissappear
Tell you the truth I'm not lonely

Now you're steppin away from me
One foot at a time
glad you're steppin away from me
Hope it's the last time

Cold and lonely

What's your biggest fear?
Feeling empty inside
Don't want to see you come close to here
I'd hate to say it's just over

Now you're steppin' away from me
One foot at a time
Glad you're steppin away from me
Hope it's the last time

Cold and lonely, cold and lonely

chorus x2

cold and lonely, cold and lonely
